ABOUT THE SHOW

A WORLD-CLASS CABARET HAS ARRIVED IN THE HEART OF PORT MACQUARIE!!!

Australia has a new spectacular cabaret show - Co-Created by local Brisbane sisters Amber & Madison Ivers and using Australia's very own talent. The show captivates you with the glitz and glam of dazzling costumes, live singing, showgirls, comedy and much much more!

Finesse Burlesque takes you through a heartwarming yet comedic experience of the life of an entertainer.

Amber & Madison Ivers directed, produced & choreographed the production alongside the show's writer Aleisha Rose. The cast, a total of 13, are international artists who returned home during the initial outbreak of COVID19. While the arts industry was suffering Amber and Madison wanted to create more jobs here in Australia for our local talent.

A MESSAGE FROM THE CO-CREATORS

As little girls we dreamed of producing this show. It was created, directed & staged completely by the two of us. After years apart, performing in different parts of the world we decided to use this pandemic to begin the process of turning that dream into a reality. We feel honoured to be able to do this during some of the toughest times our industry has ever experienced. With love, we have produced, funded, designed, styled, advertised and choreographed this entire production. Thank you to our cast of truly talented and dedicated artists, for your patience, professionalism and hard work.

We hope we can contribute to the re-launch of our industry, an industry we trained our entire lives to be apart of & cherish so much. We appreciate the support you've shown so far and would like to thank you from the bottom of our hearts, for being here tonight. We hope you too will enjoy witnessing our dreams and longings come to fruition.
